4. ADDITIONAL INFORMATION REGARDING TRANSFERS OF PERSONAL DATA

4.1. Storage: We store your Personal Data with the storage providers below in the specified jurisdictions:
- AWS – Ireland
- Microsoft Azure – UK

4.2. Following the Court of Justice of the European Union’s invalidation of the EU-US Privacy Shield Framework in Case C-311/18, SilverFort will no longer rely on the EU-US Privacy Shield as a mechanism of international data transfer until further notice. SilverFort will however remain committed to maintaining its self-certification under the EU-US Privacy Shield Principles and respect its principles, as an additional measure of protection of its users’ privacy, until further notice.

When SilverFort engages in such transfers of personal information, it relies on i) Adequacy Decisions as adopted by European Commission on the basis of Article 45 of Regulation (EU) 2016/679 (GDPR) (for example, when we access from Israel), or ii) Standard Contractual Clauses issued by the European Commission. SilverFort also continually monitors the circumstances surrounding such transfers in order to ensure that these maintain, in practice, a level of protection that is essentially equivalent to the one guaranteed by the GDPR.

4.3. Internal transfers: We ensure transfers within the Silverfort group will be covered by an agreement entered into by members of the Silverfort group (an intra-group agreement) which contractually obliges each member to ensure that Personal Data receives an adequate and consistent level of protection wherever it is transferred to.

5.2. Deleting your account: Should you ever decide to delete your account, you may do so by emailing privacy@silverfort.com.
